The service charge is an annual payment that is charged monthly in advance by direct debit. The service charge is a fixed charge which increases on 1 April each year based on the December Retail Price Index of the preceding year. The service charge amount varies according to the number of people living in the property and the banding of the property.

The service charge budget is compiled at the beginning of each financial year and is subject to change on 1 April each year.

Residents receive at least 28 days' notice of the change. The increase is always capped at RPI. Residents pay a peppercorn ground rent through the service charge.

### Utility charges

### Council tax

All residents are responsible for paying council tax directly to the council. This is by far the most efficient way of ensuring that any possible allowances are accessible by residents.

### Freeview and satellite TV

All homes at Sandford Station are connected to a central TV and satellite system, therefore, negating the need for multiple aerials and dishes. It is the residents' responsibility to pay for their own satellite TV service. Residents do not need to pay for a TV licence as there is a communal arrangement.

### Internet

Residents of Sandford Station pay for their own internet connection and liaise directly with their own provider.

## Insurance

### Our insurance responsibility

St Monica Trust arranges and maintains insurance cover for buildings, public liability and employer's liability. Residents contribute to the cost through the service charge.

### Residents' insurance responsibility

It is the residents' responsibility to obtain contents insurance for their home.

## Charges when leaving or selling your property

A 'surrender fee' of 1% of the purchase price paid by the outgoing resident is applied for each full or part year of ownership (capped at a maximum of 10%).

The Trust will handle any decoration or upgrades that might be needed and the cost for this will be taken out of the surrender fee.

St Monica Trust does not apply any administration or legal fee for sale. Residents will need to appoint a solicitor to handle the surrender.

Once the surrender is legally completed, funds, less the surrender fee and any outstanding invoices, will be returned within 28 days.

Residents will continue to pay the service charge and utilities such as council tax and electricity bills until the day the property is returned to the Trust.

## Residency and sub-letting

In any one year, residents must spend a minimum of six months living in the property and must provide notice if they are absent for more than six months.

Sub-letting is not permitted.

## Restrictions on buyers

Buyers must be at least 55 years of age to purchase a property at Sandford Station. Buyers can be younger than this providing they have a care need.
